

Overview

A clean tabular representation for all your messages. Track your incoming and outgoing messages in the **Campaign > Message History** or **SMS Reports > Message History**

drop-down with ease. We have added a few other tweaks to it too!

- This feature will be unavailable for usage if you opt-in for HIPAA Compliance. For more information contact care@sms-magic.com
- 6 months of previous Message History can be viewed and filtered. For archived data please get in touch with care@screen-magic.com.

You can view the Incoming and Outgoing Messages Report under the respective tabs for SMS and WhatsApp channel.

You can see more details for each outgoing and incoming record in the Report, by clicking on the Info icon in the Details column.
